Subject: Town of Merrillville HUD EDI-Special Project Grant

Mr. Mike Molnar,

The Town of Merrillville, Ross Township, Lake County, is in the process of applying for a U.S. Department of Housing and Urban Development EDI-Special Project Grant. In order to access the grant funds, the Town must complete an Environmental Impact Assessment.

The Town will use the funds for installation of water mains. The areas being considered for installation of water mains consist of established neighborhoods without any access to municipal water. Attached to this letter is a listing of neighborhoods being considered for the project.

Please contact me if you require additional information or clarification.
